[Verse 2]

Am F  
Staring at the ceiling in the dark

G Em

Same old empty feeling in your heart  
Cause love comes slow and it goes so fast  
Well you see her when you fall asleep  
But never to touch and never to keep  
Cause you loved her too much and you dived too deep  
Well you only need the light when it's burning low

[Chorus]

Only miss the sun when it starts to snow  
Only know you love her When you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go  
And you let her go

[Bridge]

And you let her go  
Well you let her go  
Cause you only need the light when it's burning low

[Outro]

Only miss the sun when it starts to snow  
Only know you love her When you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go  
Cause you only need the light when it's burning low  
Only miss the sun when it starts to snow  
Only know you love her When you let her go  
Only know you've been high when you're feeling low  
Only hate the road when you're missing home  
Only know you love her when you let her go  
And you let her go
