[Verse 1]
Hey Jude don't make it bad.
Take a sad song and make it better.
Remember to let her into your heart.
Then you can start to make it better
[Verse 2]
Hey Jude don't be afraid.
You were made to go out and get her
The minute you let her under your skin,
Then you begin to make it better.
[Chorus]
                                         Dm/A
 And any time you feel the pain, hey Jude, refrain .
Don't carry the world upon your shoulders.
                                              Dm/A
                                                          Gm
 For well you know that it's a fool who plays it cool ,
By making his world a little colder .
           F7
                   C7
Na, na, na, na, na, na, na, na
[Verse 3]
Hey Jude don't let me down .
        C7
You have found her now go and get her .
Remember to let her into your heart.
Then you can start to make it better.
[Chorus]
                             Bb
                                      Dm/A
So let it out and let it in, hey Jude begin.
                      C7
You're waiting for someone to perform with.
 And don't you know that it's just you?
Hey Jude you'll do .
The movement you need is on your shoulder.
                   C7
Na, na, na, na, na, na, na, na
[Verse 4]
Hey Jude don't make it bad.
